## Preface

The college laid its first stepping stones in the year 1986. From its humble beginnings with only a handful of students and teachers, it has come a long way and presently it holds the distinction of offering a wide variety of disciplines and courses to its students. The college offers honours courses in subject like Bengali, Political Science, History, English, Education, Geography, Commerce, Physics, Mathematics and general courses in a variety of subjects. The college will also introduce Sociology as a general subject from this year. The college has kept up its upgradation initiatives under the guidance and leadership of its apex management, that is, the Governing Body. All the faculty members and the administrative staff whole heartedly worked together in that direction. The college has gone through an institutional assessment conducted by the Directorate of Public Instructions, Government of West Bengal. The college also regularly updates the data on the AISHE portal. The college has adopted its own motto of imbuing its students with the idea of progress and harmony through education which is reflected in the emblem of the college.

The college boasts of an excellent central library with a well-furnished reading room where the students are allowed to have an open access to the stocked books and other resources. The library is a free Wi-Fi zone for the benefit of the students and teachers alike. The students may also have free access to the internet from the UGC funded Internet Resource Centre which is housed within the library. Several important e-journals may be accessed through INFLIBNET from the library or the offices of the Heads of the Departments. Apart from books pertinent to the university curriculum, the library stocks books for competitive examinations. This measure was taken during the academic year 2016-17 to help the students prepare themselves for the competitive world of job hunting.

The NSS wing of the college has done its part exceedingly well in rendering useful services since its inception. The college was awarded the best college for NSS performance in the year 2014-15.

The college has introduced the use of a system of audio-visual teaching equipments in its classrooms. It also has a computerized language laboratory to be employed by the literature departments in particular to help the students improve their communication skills. The departments of Geography, Commerce and each of the science departments have well equipped laboratories.

There are separate common rooms for boys and girls, a gymnasium and a canteen for the staff. There is also a 'Student's Information Center' which supplies stationary articles, photocopied study material and other basic necessities at extremely cheap rates. The college has a hostel for girls and intends to build one for boys in near future.

The college has a long standing tradition of participating in cultural programs, sports events, educational tours and excursions. The participants from the college won accolades in the Youth Parliament last year. The college magazine "AYAN" is published regularly to create a space for the students, teachers and other staff to exercise their faculties of creative and critical thinking. The various departments also bring out wall magazines from time to time.

Since last year onwards the college has been conducting admission procedures online. The college has applied to the University of Kalyani for a P.G. course in Geography; likewise it has also pleaded to the D.P.I. for the commencement a U.G. course in the Biosciences. The college has already introduced post graduate courses in Bengali, History, English and Education through an Open and Distance Learning programme under the University of Kalyani. The SSR for the second cycle of NAAC was prepared and submitted recently; following which the MHRD department invited representatives from the college to NIRF at Vijnan Bhavan, New Delhi. The honourable

HRD minister Ms. Smriti Zubin Irani, honoured the college on that occasion for its overall achievements.

The college is always awake to the importance of keeping a healthy Teacher student ratio for which it maintains an adequate number of guest faculties in all the departments. The college insists on recruiting teachers fulfilling the UGC criteria. The college constantly encourages and supports its faculties in research and other means of academic advancement. The departments frequently hold seminars and special academic lectures by guest speakers. The departments of Geography and Education are looking forward to holding UGC sponsored seminars in the month of September this year, the departments of English and History will follow suit.

Aware of the disadvantaged familial background of a considerable portion of the students, the college holds remedial coaching classes for the same, especially the students belonging to SC, ST and OBC categories. The college also waives the tuition fees and other fees of students from impoverished families, which are paid by the college from its own funds. The college has implemented the State Government's Kanyashree Prapalka, which has gone a long way in widening the prospects and possibilities for the girl students. There is a Student's Health Home to give medical attention to students when necessary. Like all other education institutions the college observes the occasions of Independence Day, Republic Day and Saraswati Puja. The college also organizes a College Social and a Fresher's Welcome during which a series of cultural programs are held.

Our college was built with a collaborative spirit and that is one of the major strengths of our college. This an apt opportunity to congratulate the Governing Body and the teaching and office staff of the college for their contribution to the college's success.

## Vision, Mission and Objectives

**The vision** of the college is to promote higher education among the people belonging to socially backward caste-class groups, like people involved in agricultural occupation, daily labourers etc. A large number of these groups represent scheduled castes, tribes, other backward communities and religious minorities. A sizeable portion of them are new entrants to higher education. The college aims at uplifting their socio-economic standard through higher education and by encouraging female education to create awareness and promote empowerment. The college believes in the principle of ignorance to enlightenment.

**Mission** of the college is to encourage local youths to have an exposure to higher education irrespective of castes, religions, gender and level of economic status, to generate the spirit of harmony, social awareness, social integration, uniformity and responsibility through higher education, to help poor students and students of the backward caste-classes in different ways and to ensure a healthy teacher-student relationship within the institution and character building of students.

**The objective** of the college is to implement the stated vision and mission. Social equality and efficiency and social motivation are promoted through admission strictly based on merit and by conducting admissions exclusively in the online mode. Through the NSS units of the college, institutional and social responsibilities are promoted by carrying out programmes to create awareness about literacy, health and hygiene, environmental pollution and AIDS and by providing facilities for extra-curricular activities for physical, moral, social and cultural upliftment of the students.

(a) **Honours Courses:** Best of five plus the marks obtained in the subject in which he/ she intends to take up honours subject or related subject.

(b) **General Courses:** Merit list will be prepared on the basis of Best of five.

The merit list for candidates will be prepared by listing them in the descending order.

While admitting candidates from the merit list if it is found at some point of time that the approved intake is likely to be breached due to sharing of the same merit position by more than one candidate, then in that case all the candidates at that particular merit position may be admitted subject to prior approval of the Vice Chancellor and the excess admission will be granted only for that year. Otherwise in all cases, admission will be restricted strictly to the intake capacity.

#### 6. **Deduction of Marks:**

Two percent marks from the aggregate as secured by a candidate passing the qualifying examination in a year prior to the current year shall be deducted and the aggregate marks thus arrived at will be taken up for consideration.

#### 7. **Reservation of Seats:**

The college will comply with the reservation norms as per the Guidelines of West Bengal Government in the following manner:

##### **(a) Percentage of Reservation:**

Section 3 of the West Bengal State Higher Educational Institution (Reservation in Admission) Act, 2013 states the following reservation:

SC	22%
ST	6%
OBC-A	10%
OBC-B	7%

- (b) **Act not to apply in certain cases:** Section 4 of the West Bengal State Higher Educational Institution (Reservation in Admission) Act, 2013 states that the provisions of section 3 of this Act shall not apply to *“the students belonging to the creamy layer of the society”*.
- (c) **Reservation for Persons with Disabilities (PwD) Category:** @ 3% of the seats will be reserved for PwD candidates in each of the above categories. The same percentage of reservation shall also apply in case of unreserved seats.  
PwD category candidates will be eligible with a minimum of 40% disability with respect to Loco-Motor Disorder, Visual Impairment, Speech and Hearing Impairment.
- (d) **Applicability:**  
The reserved seats for SC, ST, OBC-A and OBC-B categories can be availed of by those students who are domiciled only in the State of West Bengal.  
SC, ST, OBC-A and OBC-B candidates hailing from states other than west Bengal *are not eligible for such benefits* and they will be treated as unreserved category candidates.

## 8. **Procedure of Publication of Merit List and Admission to Physical Education:**

The merit list for Physical Education to be published at the first instance is completely provisional. Provisionally shortlisted candidates in order of merit will be called for their physical and skill test to be conducted by the experts nominated by the University of Kalyani. After this exercise is over, a final merit list shall again be published and admission will take place accordingly.

## Facilities offered by the institution:

To inspire, to guide and to facilitate the students of the college both in academic and other activities, a number of facilities, financial assistances and prizes are given every year from different sources.

- **Seminars:**

Seminars are organized by all the departments on various topics so that the participants get exposure to the outside world. Already the departments of Bengali, Geography and Political Science have organised three national level seminars in the academic year 2013-14. A special academic lecture and a seminar were organised by the departments of English and Bengali respectively in the year 2016-17. This year, the departments of Geography and Education are going to organize two national level seminars in the month of September, 2016. Students' Counselling Desk:

Teachers sympathetically endeavour to sort out specific academic and personal problems faced by students.

- **Students Health Home:**

The college has arranged membership of student's health home for the students at the cost of Rs. 10 per head (annual) which provides them specialized treatment.

- **Seminar Hall:**

The college is soon going to build a well-furnished seminar hall with a capacity of 300 and LCD projector facility. As yet the college does have a seminar hall. Seminars and cultural programs are therefore held in a large classroom.

- **Canteen:**

The college canteen serves substantial and nutritious meals at reasonable prices to both students and staff members.

- **Common Room:**

Separate common rooms have been provided to girl and boy students and there are provisions for indoor games. There is a LED Television with cable connection in the common room.

- **Cycle Shed:**

There is a cycle shed in the college campus where students may keep their conveyances.

- **Photo Copier:**

There are four photo copiers or Xerox machines inside the college campus for the benefit of students, teachers and official staff.

- **Drinking Water Supply:**

For supplying purified drinking water a DWP (Mark II) tube well and six aquaguards have been installed. A water tap has also been installed.

- **Book Bank:**

"National Service Scheme" (NSS) has set up a book bank for the economically poor but meritorious students. It has more than 1500 books which are distributed under certain rules.

- **Syllabus / Class Routine / Academic Calendar:**

A copy of the teaching schedule and class routine is given to the students at the beginning of each academic session.

- **Railway Concession:**

The students willing to avail of the concession in railway fares will have to apply to the principal of the college for issuance of certificates for the same. As a result they get the benefit of concession in railway fare.

- **Scholarship / Stipend:**

A large number of scheduled caste and scheduled tribe students can avail scholarship / stipend from the S.C. and S.T. welfare Dept. by submitting prescribed application forms which are available from the college office. Also, a considerable number of minority students keep contact with the office of the college.

- **Financial Assistance:**

Poor and meritorious students, having regular attendance and good performance in the periodical and annual examinations are provided with financial assistance for students' welfare fund and students' aid fund of the college.

- **Generator:**

Every member of the college is benefited by the high powered (45KV) generator facility in the college.

- **Women's Hostel:**

There are two women hostels in the campus but till date no application was received from the beneficiaries concerned.

- **Library:**

The college has an extra-ordinary central library with a handsome number of text and reference books. It also subscribes various dailies. The library remains open from 11 am to 5 pm on working days. Students have to search their books on the computer. They can also read the books and journals in the reading room. The library houses a Net Resource Centre sponsored by U.G.C. where the students and staff can have free access to the internet. The library and the reading-room are Wi-Fi enabled zones with the facility available to students and staff alike. The college library subscribes news bulletins like Employment News, Karma Kshetra, Karma Sansthan, Peshu Prabesh (Bengali news bulletins containing job related information). The college has recently obtained subscription of the online journal store INFLIBNET. Several important e-journals may be accessed through INFLIBNET from the library or the offices of the Heads of the Departments.

- **Departmental library:**

Each department of the college has its own departmental library which stocks important books to supplement the resources of the central library. These departmental libraries are maintained by the teachers of the departments. Students are allowed to issue and borrow books from the departmental libraries.

- **College Sports, Games and Gymnasium:**

The college has a vast playground of its own. Students enthusiastically participate in annual sports and games. Even at district, university and state level they have given good performances. The football team has been awarded lots of prizes and the students won the championship trophy in the inter-district athletic meet. Besides the college has a stock of sports goods for indoor and outdoor games. There is a gymnasium in the college for the students' use. An annual sports meet is held every year where the boys and girls take part.

- **Publications and Magazines:**

The members of the magazine sub-committee are entrusted with the responsibility of publishing the college magazine "Ayan". A good number of writings are contributed to the magazine by the students as well as teachers. To commemorate the silver jubilee year the Bengali dept. published a yearly magazine which was named "Balaka".

- **Wall Magazine:**

Students of various departments also design their wall magazines. The departmental wall magazines help in the exposure of the students. Besides, volunteers of NSS take initiative in publishing their wall magazine at certain intervals.

- **Computer Lab:**  
There are well equipped computer laboratories for the departments of Commerce, Geography, Physics and Computer Science. Practical classes are held regularly under the guidance of departmental teachers. Along with the labs, the departments have computers, two highly sophisticated Xerox machines, LCD projectors, LED TVs and cameras which were purchased with the financial assistance of U.G.C.
- **Rules to stop ragging:**  
As per the orders of the Supreme Court UGC has informed certain rules and code of conduct to stop ragging. Till date there have not been any incidents of ragging or sexual harassment in the college since its inception.
- **Non-formal method of learning:**  
Apart from taking classes regularly non-formal methods are also adopted by the institution to enrich the students through seminars, cultural competitions, debates etc. The successful students are given prizes for their performances in different fields.
- **Educational Tour:**  
Every year educational tours are being organized especially by the geography department. The tour is arranged in consultation with college authority.
- **Parent – Teacher Meeting:**  
Parent – teacher meetings are held in order to give a feedback of the overall academic progress of the student to his / her guardian. These meetings also help the institution to receive constructive suggestions from the parents.
- **Modern Teaching Aids:**  
The college has introduced modern electronic teaching aid systems like the “Smart Class” and a language lab. The former is employed for audio-visual teaching whereas the latter is used to improve the communicative skills of students and for more effective classroom interaction between student and teachers.
- **Energy efficient and green campus:**  
The college has installed its own electric transformer in collaboration with WBSRDCL for proper load distribution. For uninterrupted power supply, the college has a green DG set with 45 KVA capacity.
- **Safety Measures:**  
CCTV cameras are installed at important points in the campus. A sufficient number of fire extinguishers are kept in the college premises.
- **Other Amenities:**  
The college has a separate canteen for the teaching and non-teaching staffs. The departments are provided with printers. The teachers’ room and office is Wi-Fi enabled. Ramps are built at the entrances of the buildings for the benefit of the differently disabled students.

## **Games and Sports**

Several items of games and sports are provided in the girls' and boys' common rooms separately which include Table Tennis Boards and Carom Boards. Facilities for Badminton, Cricket, Football and Volleyball are also provided for the students.

Apart from participating in the College Annual Sports Meet, the students of the college including those belonging to the Physical Education Department participate in Non-Government affiliated colleges Athletic and Football Meets. They also participate in Non-Government affiliated colleges' Badminton Tournaments for girls. Students of the college take part in Inter College Athletic Meet, Inter College Football Tournament and Inter College Badminton Tournament- all conducted by affiliating University. Whenever the Haringhata Police Station conducts Athletic Meet the students of the college take this opportunity to compete with other participants.

## **Extracurricular Activities**

Extracurricular activities in the college are generally ensured through the following programmes where students of the college perform with a great zeal:

- Freshers' Welcome.
- College Foundation Day celebration.
- Annual Cultural Programme.
- NSS conducted different programmes including residential special camp.

## **National Service Scheme (N.S.S.)**

N.S.S. was introduced in 1989 in the college with the permission of Kalyani University. It successfully played its role in developing social awareness and sense of responsibility among the students in the cultural sphere also. N.S.S. had important contribution in mobilising the students. Students take active part in different programs such as birthday celebration of Swami Vivekananda, Kabi Guru Rabindranath Tagore, Netaji Subhash Chandra Bose, Independence Day, Republic day and many others.

## Committees and Sub-Committees

- **Teachers' council:**

It is a forum for the teaching members of the college. It includes full time teachers, part time teachers, and guest teachers. It is concerned with the overall development of college atmosphere. It is responsible for organising cultural programs. It also addresses problems encountered by teachers in their day to day work.

- **Academic council:**

This council comprises of the principal, the bursar, and the heads of departments. It is concerned with the overall development of the academic atmosphere. It organizes seminars, examinations, educational tours and other issues related to the academic sphere.

- **Different subcommittees:**

In order to accomplish smoothly different activities related to administration, finance and examination, there are different sub-committees in the college such as admission committee, finance committee, construction committee and centre committee etc.

- **Internal Quality Assurance Cell (IQAC):**

As per the recommendation of the N.A.A.C. peer team the college has set up an Internal Quality Assurance Cell to ensure continuous improvement. The main aim of this cell is to implement the recommendations of the N.A.A.C. for further development of the institution. Further, it has to develop teaching-learning-evaluation process, promote research culture among the faculties by organising seminars, workshops etc. to fulfil institutional commitments towards the community. We are going to start the process for reaccreditation of the college.

- **Students' union:**

The students' union consists of elected class representatives among the students. It is a common platform of the students belonging to different communities. Students' union plays active part in solving the problems, demands or any other issues of the students in co-operation with the college authority. There are subcommittees of students' union under the guidance of teachers who take active part in academic as well as cultural and social activities including Blood Donation Camps, games, cultural competitions, fresher's welcome, college social, teachers' day celebration etc.
