NOTICE

This has come to the knowledge of college administration through students and parents that few faculty members from different departments are not taking their regular allotted classes according to the routine, specially the 11:00 am class. It is shameful from our part to deny the students their right to knowledge. The college administration will take stern action against those found not taking classes on time. Further all the faculty members are requested no to take leave without informing college administration. Your cooperation regarding this highly solicited.
