Ref. No: 12051/26/H.M/Notice/ Inviting quotation / Tender

Date: 24.10.2026

Sealed quotations are invited from eligible and experienced service providers for shifting the existing 40 KVA Generator (Quantity one), approximate weight 1180 kg to 1370 kg at Haringhata Mahavidyalaya, Haringhata, Nadia, West Bengal, as per the following scope of work.

Sl. No.	Description of Work	Unit	Rate (₹)	Amount (₹)
1	Dismantling/disconnection, where required, and safe handling of the existing 40 KVA generator for shifting.	As required	—	—
2	Loading, transportation/shifting from the existing location to the designated location within the College premises, including labour and handling.	As required	—	—
3	Repositioning, unloading, placement and alignment of the generator at the designated site; reconnecting/checking of services disturbed by the shifting, where applicable.	As required	—	—
4	Testing and trial run after shifting, and handing over the generator in working condition. Any exclusions must be clearly stated in the quotation.	As required	—	—
5	One window needs to be removed and replaced with a concrete wall for the installation of an electrical panel.	As required	—	—
6	Site preparation, marking and levelling at the location identified by the College authority.	As required	—	—
7	Construction of masonry/concrete base for the 40 KVA generator, including materials, labour, cement, sand, bricks as required, and workmanship as approved by the College.	As required	—	—
8	Finishing and curing of the completed base; removal of construction debris and cleaning of the site.	As required	—	—

Terms and conditions:

1. The quoted amount should include labour, tools, handling, transportation and all incidental expenses; taxes, if any, must be shown separately.
2. The bidder should inspect the site and verify the shifting route and requirements before submitting the quotation.
3. The work shall be carried out only after permission from the College authority and in coordination with the College's authorised personnel.
4. The generator must be handled safely by competent personnel. Electrical disconnection/reconnection, if required, must be carried out by a qualified person.
5. The quotation should be addressed to the Teacher-in-Charge, Haringhata Mahavidyalaya, Haringhata, Nadia, West Bengal, and submitted in a sealed cover to the College office by 25/10/2026 to 31/10/2026 at 4 p.m.
6. Quotations will be opened on 02/11/2026 at 12 noon. The College authority reserves the right to accept or reject any or all quotations without assigning any reason.
7. The quotation must clearly indicate the total cost, material/labour components, and taxes, if any.
8. The quoted rate should include all materials, labour, tools, transportation, curing, finishing and removal of debris required to complete the work.
9. Work shall commence only after written/recorded approval from the College authority and shall follow the approved site dimensions and specifications.
10. The contractor shall maintain safety and cleanliness in the work area and shall make good any damage caused during the work.
11. The quotation should be addressed to the Teacher-in-Charge, Haringhata Mahavidyalaya, Haringhata, Nadia, West Bengal, and submitted in a sealed cover to the College office by 25/10/2026 to 31/10/2026 at 4 p.m.
12. Quotations will be opened on 02/11/2026 at 12 noon. The College authority reserves the right to accept or reject any or all quotations without assigning any reason.

[**Important note:** The exact dimensions, height, reinforcement (if required), and construction details shall be inspected and approved by the College authority/competent person before commencement. Bidders must inspect the site and quote for the complete work. No dimensions or structural details should be assumed without site approval.]

*Quotation without the attested photocopies of the following documents will be rejected.

1. Pan Card, 2. Trade License

The decision of the college authority is final.
