Procedures and policies for maintaining and utilizing physical, academic and support facilities:

Laboratory: We have number of libraries namely, Physics Laboratory, Chemistry Laboratory, Computer Science Laboratory, Geography and Commerce laboratory. The infrastructures of the Laboratories are bought with either college funds or from grants received from the Government. There are different committees, Teacher-in-Charge and GB/Administrator who approves the fund for the up gradation of the Laboratories. Nearly 700-800 students utilize the laboratories every session.

Library: The Central Library is a well maintained space where the library caters to all the students and teachers. The library has about 17000 books on different fields. The Library committee plays a very crucial role in the maintenance of the library. One Librarian (Casual) and Two Library attendants manage the library.

Sports Complex: Haringhata Mahavidyalaya has big Ground which students utilize for sports and playing. Volleyball, Football, Cricket, Kho-Kho, Badminton etc are the popular sports among the students. The annual sports are also held in this ground. The Department of Physical Education oversees and maintains the ground.

Computers: Apart from different Laboratories the institution has computers at Office Rooms, HOD Chambers, and Resource center and staff rooms. Computers are maintained periodically by IT professionals. The computers are also upgraded from time to time. The institution has 100 mbps internet connections through LAN and Wi-Fi.

Classrooms: There are altogether 37 Classrooms in Haringhata Mahavidyalaya. The classrooms are equipped with benches, chairs and tables. Good ventilation and cleanliness of the classrooms are our priorities for imparting proper education to the students. Big Classrooms are equipped with speakers and microphones.

Drinking Water: There are number of water purifiers installed in the institution which ensures drinking water to both the teachers and the students.

Common Rooms: There are separate common rooms for both the Boys and the Girls. A lady attendant is always there in case of emergency or for other needs.

Toilets and Sanitation: There are many toilets inside the campus for both the Girls and the Boys. The sweepers clean the toilets regularly to maintain cleanliness and hygiene.

Seminar Hall: The Haringhata Mahavidyalaya has a very big air conditioned Seminar Hall. The Seminar Hall is ICT enabled. Seminars, Workshops and different cultural programmers are held in the Seminar Hall.

Canteen: The institution has two canteens inside the campus. One canteen for the staff and the other for the students. The canteens ensure the staff and the students get healthy and fresh foods.
